

WCCE11 - 11th WORLD CONGRESS OF CHEMICAL ENGINEERING

IACCHE - XXX INTERAMERICAN CONGRESS OF CHEMICAL ENGINEERING
CAIQ2023 - XI ARGENTINIAN CONGRESS OF CHEMICAL ENGINEERING
CIBIQ2023 - II IBEROAMERICAN CONGRESS OF CHEMICAL ENGINEERING

Buenos Aires - Argentina - June 4-8, 2023

"The global chemical engineering working for a better future world"

Jean-Pierre DAL PONT graduated from ENSIC (School of Chemistry –Nancy-France) In 1960 and from IFP School in 1961 –He obtained an MBA from Institut de Contrôle de Gestion in 1979.

His entire career was with Rhone-Poulenc (RP) then RHODIA (Today SOLVAY)

After doing R&D for seven years (1964-1971) developing many processes and active in plant trouble-shooting he became Production Superintendent in a 2500 people Chemical Plant in Pont-de-Claix France for ten years (1971-1981).

Rest of his career was International ;he was involved in developing RP acquisitions in the USA as VP Corporate of RP Inc. (NJ) (1983-1989) ;among them development of Union Carbide AG division acquired in 1986 (two years after Bhopal tragedy)

Back to France he became the world wide Dr of RP Biotechnology and Surfactants activities from 1989 -1995

He terminated his career as VP Industrial of RP Asia-Pacific (AP) based in Singapore from 1995 to 2000 managing acquisitions and development of plants and JVs scattered in many AP countries.

Jean-Pierre DAL PONT is currently president of SECF(French Society of Chemical Experts) and Chair of PDS 23 AIChE EU event .

He is the Editor of four books translated into English ..He is the author of many articles on industrial Mgt , Process safety Water Management and other technical matters .He lectures in several French and foreign Universities and Organisms.
